(ii) The conditions of admission are stated in the Calendar of the College.

2. INITIAL SUMMER COURSE

(i) A special eight-week summer course leading to a Temporary Secondary School Certificate will be offered in 1963 at each of Toronto (Ontario College of Education), Kingston (Ellis Hall, Queen's University) and London (G. A. Wheable S.S.), commencing on July 2 (9.00 a.m.) and ending on August 23.

(ii) The same type of course, including practice teaching, will be given at all three centres, except as noted in (viii) below.

(iii) It is expected that applicants resident in the Counties of Durham and Northumberland, Hastings, Peterborough, Renfrew, and counties east of these will attend the course at Kingston, and that those resident in the Counties of Grey, Wellington, Waterloo, Brant, Norfolk, and counties southwest of these will attend the course at London, except as noted in (viii) below. Applicants from other parts of Ontario will be expected to attend the course at Toronto.

(iv) The conditions of admission to the Initial Course will be as stated in the Calendar for 1963-64 of the Ontario College of Education for admission to the regular winter course.

(v) All applications for admission to the Initial Course at Toronto, Kingston, or London must be made to the Registrar, Ontario College of Education, 371 Bloor Street West, Toronto, not later than June 1, on a form which will be mailed to the applicant when the Letter of Permission and a copy of the contract have been received at the College. (Ref: Memorandum 1962-63:43, Sections 5 and 7)

(vi) In each Initial Course a candidate will be required to study School Management and Law and an appropriate pattern of three secondary school subjects chosen from the following: English, History, Geography, Latin, French, Mathematics, and Science. Commercial Subjects or Home Economics or Physical Education may be chosen as a supplementary subject and substituted for one of the three subjects of the seven aforementioned on condition that an applicant for Commercial Subjects has university credit, or has passed a test, in commercial skills or subjects, an applicant for Home Economics has taken the subject in her university course, an applicant for Physical Education has a degree in the subject or has been employed to teach at least 8 periods per week in the subject. Candidates choosing the option of Commercial Subjects or Home Economics or Physical Education will be considered qualified in that subject if they are successful in the summer courses, teach satisfactorily and proceed at their earliest opportunity to any special certificate that may be required in the subject and grades which they teach.

(vii) Candidates who have chosen the option of Commercial Subjects, Home Economics or Physical Education and who are successful in the Completing Course the following summer may receive in addition to the Interim High School Assistant's Certificate, Type B, supplementary standing in the optional subject as indicated in the Calendar for the winter session.

(viii) The choice of Home Economics as an option will be available only at the course in Toronto.

3. SPECIAL COURSE FOR VOCATIONAL TEACHERS OF TECHNICAL SUBJECTS

As in 1962, the first summer session of a three-summer sequence of training for teachers of Diversified Occupational Trades will be offered in Toronto in 1963, commencing July 2 (9.00 a.m.) and ending August 2, for persons who

Detailed information regarding this course and that in section 6, including any tests which may be required, should be obtained immediately from Professor A. P. Seggie, Ontario College of Education, in order that eligibility for admission may be established *before* a contract is made with a board.

6. SPECIAL COURSE FOR VOCATIONAL TEACHERS OF COMMERCIAL SUBJECTS (C3)

The first summer session of a three-summer sequence will be offered for the first time at Toronto in 1963, commencing July 2 (1.00 p.m.) and ending August 2, leading to an Interim Vocational Certificate, Type B, Commercial, valid for teaching the commercial subjects named on the certificate in any secondary school. To this five-week course may be admitted an applicant, 35 years of age or under, who submits the following:

(ii) a statement from the university registrar that the applicant has standing sufficient for admission;

(iii) a statement satisfactory to the Ontario College of Education from an employer or employers that the applicant has had at least 5 years of office experience;

(v) evidence that he has obtained after March 23, 1963, a contract (subject to the issue of a Letter of Permission on his behalf) from a secondary school board or a contract with an inspected private school to teach the commercial subjects in which he has passed a trade test.

If the applicant is successful in his summer courses and his teaching, his Letter of Permission will be renewable upon request once without advertising by the board which employs him. After the third summer course the successful candidate will receive the Interim Vocational Certificate, Type B, Commercial (subjects named). This certificate will be valid for 5 years. A Permanent Vocational Certificate, Commercial (subjects named) will be issued at the end of 5 years (or sooner) if the quality of the teacher's work has been satisfactory and he has completed half of the credits towards an acceptable university degree. Upon completion of the degree the teacher will be eligible to proceed towards commercial specialist status.

7. SPECIAL COURSE FOR TEACHERS OF PHYSICAL EDUCATION FOR GIRLS

Letters of Permission to teach Physical Education in a secondary school may be issued after March 23, on behalf of Ontario female elementary-school teachers who

(i) hold the Permanent Elementary-School Teacher's (or First Class) Certificate, have academic standing in Grade 13 satisfactory to an Ontario university for admission to the regular first year of a degree course and have a letter from the Registrar to that effect;

(ii) are willing to take in 1963 a special secondary school five-week summer course in Physical Education offered in Toronto by the Ontario College of Education, commencing on July 2 (9.00 a.m.) and ending August 2, and

(iii) will teach the subject in a secondary school in September, 1963.

These Letters of Permission will be renewable from year to year upon request of the boards without advertising on evidence of the teacher's satisfactory work and progress towards an Arts or Science degree by summer work or evening classes following the first year of secondary school teaching. At least one university course per year and at least three courses in every two-year period will be required. When a teacher completes the Regular Summer Course later and obtains the Interim High School Assistant's Certificate, Type B, the special summer course in Physical Education mentioned above will be accepted for credit equal to the Intermediate Certificate, Part I, for secondary schools. It will be counted as one unit in Physical Education for elementary schools if the teacher does not finish the degree and returns to teaching in elementary schools.

Elementary-school teachers may apply for positions after February 27 but may not accept positions under the conditions outlined above and in Memorandum 1962-63:43, Section 3 (b), before March 23. A teacher under this section may not be employed by a board unless at least half of the teacher's periods in the week will be devoted to Physical Education (including Health). This fraction of time and the other subjects which she will teach must be carefully set forth in Form 700 by the Secretary of the Board.

Where there is available no fully-qualified applicant or Initial Course applicant choosing Physical Education as an option, the board may give preference on or after March 23 to an elementary-school teacher who has

(i) attended Ontario Athletic Leadership Camp at Longford Mills as a secondary school pupil, or

(ii) taken summer course(s) in elementary-school Physical Education prior to the first announcement in this matter, and

(iii) has been recommended by the elementary-school inspector as a good prospective teacher of secondary school Physical Education.

8. COMPLETING SUMMER COURSES

(a) (i) A special Completing Course of seven weeks, consisting of History and Philosophy of Education, Educational Psychology, and further study in the same three secondary school subjects chosen for the Initial Course, will be given in the summer of 1963 at each of Toronto (Harbord C. I.), Kingston (Sir John A. Macdonald Hall, Queen's University), and London (London South S. S.). This course will be available to candidates who have completed successfully the Initial eight-week Summer Course of 1962, have taught satisfactorily during the complete school year 1962-63, and have been recommended by the principal and the secondary school inspector concerned. On the successful completion of this course, the candidate may be granted an Interim High School Assistant's Certificate, Type B. The Completing Course will begin on July 2 (2.00 p.m.) and end on August 16. Applications are submitted to the Department of Education through the principals of the secondary schools on Form 901 in March. Acceptances will be mailed from the Ontario College of Education about May 1.

(ii) Candidates who chose Home Economics as an option in 1962 will take the Completing Course in Toronto since the number choosing the option does not warrant offering the subject at more than one centre. Change of centre should be noted on Form 901.

(iii) Subject to the conditions stated in (i), candidates who, in 1963, complete successfully the Initial Course will take a Completing Course to be offered at the same centres in 1964 in order that the requirements for an Interim High School Assistant's Certificate, Type B, may be fulfilled.

(b) (i) Second summer courses, and third summer courses where required, in vocational subjects leading to an Interim Vocational Certificate will be given in Toronto in 1963. Applications for these five-week courses, commencing on July 2 (Technical and Occupational 9.00 a.m., Commercial 1.00 p.m.) and ending on August 2, should be submitted to the Registrar, Ontario College of Education, by June 1.
